Muxton Primary School

13th November 2009

Dear Parents and Carers,

Thank you to all parents/carers who attended parents evening this week. I always look forward to this opportunity of meeting as many parents as I can. As Headteacher I feel very proud of the many positive comments about the teaching and learning and especially how happy the children are. This is a positive reflection on our commitment to working in partnership with parents.

It is CHILDREN IN NEED on Friday 20th November. Children are invited to spend £1 and dress up in 'muddled up' clothes for the day!!! There will be special 'PUDSEY BEAR' cookies for sale at 0.50p each but only ONE per child I'm afraid! We shall be drawing an outline of PUDSEY BEAR on the playground and hope to fill as much of Pudsey with coins as possible.

On Thursday 19th November, Neil Shaw, parent of Muxton and also the photographer for the photo shoot on 21st November, will be in school taking photographs of us all learning together. Neil will be taking photos showing our 'Words in Action'. We are looking forward to sharing our learning for all visitors to school to see.

Library

We are thrilled with the way the library is being used and the children's enthusiasm for it. The majority of books are being returned in good time and in good condition but we accept that accidents and losses do happen. If your child loses or badly damages a book and you would like to replace it, we would be very grateful for a voluntary donation. However, if you choose not to do this, your child will be allowed to continue borrowing but any further losses means that they will not be allowed to take books home.

Treasure Time

Please help your child learn the date of their birthday and be ready to talk about how they normally celebrate it.

.After School Clubs

Football: this will run on Monday 23rd (Year 3/4) and 30th November (Year 5/6) and 7th December (Year 3/4). There will then be a break and will start again in early February. Girls can attend any of the above training, no matter which year group.
