Issue No. 539

Dear Parents/Carer

I would like to take this opportunity to wish you a very relaxing and enjoyable half term. Let's hope the weather allows us to enjoy being outside. This half term has been another busy one. I am sure parents of year six will begin to think about their children's transition into year seven as the last half term of the school year approaches.

Tutors from Secondary Schools will be visiting shortly after we return to give children more information.

A very big thank you to all the parents who have supported the refurbishment of our much needed library. We know the children will really enjoy the books and develop real pleasure in their reading.

We are very proud of recent successes of children in our year 6 table tennis team and children in year 2,3 and 4 who took part in the recent Newport Cluster Multi Skills Competition. Our team came 3rd in the Multi Skills Competition.

Congratulations to the table tennis team members, Callum Leech, Max Macera, Rhys Gettings, James Dakin and Matthew Gabriel who came second in the competition. Double congratulations to Callum Leech who came 2nd in the individual average.

Please note holiday dates overleaf and we look forward to seeing the children on Tuesday 2nd June as Monday the 1st is a Professional Development day for teachers.

Mrs Relph's /Mrs Gallant's Classes

Thank you for your support in helping the children find out about mini beasts for our recent project. We all learned lots of interesting facts!

We would like to continue our research by finding out about a nocturnal animal that interests you. Please use what you find to help them understand the facts and be able to explain them in their own words. If they would like to create a poster or leaflet to help them do this, we would enjoy sharing these with the class. Please send these in to school on the Tuesday after half term to be shared over the week.

Many thanks.
