Dear Parents/Carers

Another very busy term comes to a close and I would like to wish you all a very happy and relaxing Easter holiday.

Well done to all of the year 3 and 4 boys and girls who made this term's show such a spectacular success. I thought that the singing was excellent and it was fun to see all the dancing that was also done so well. Many thanks to all the staff who have worked so hard with costumes and props—and particularly to the class teachers who have worked tirelessly with the children these past few weeks. A super show enjoyed by all.

Now we are having some warmer weather it's nice to see the children playing outdoors. Please do not allow children to use the Adventure Playground before school. I am very happy to see the children enjoying the area after school but a reminder to parents that the children must be supervised at all times.

Mrs Williams Headteacher

Thank you for the fantastic response to the Relationships (RSE) questionnaires that we sent out. We are collating all the information into a data base and have noted any specific comments. We would like to invite you now to a parents meeting on Thursday 23rd April from 2.30 to 3.30pm in the school hall to discuss the proposed RSE provision and policy. The school nurse and the authorities RSE co-ordinator will be leading the meeting. This is an opportunity to find out more and ask any further questions you might have. We will also take a note of any parents interested in contributing to the working party.
