Muxton Primary School

8th January 2010

Dear All,

A very Happy New Year to all. What an eventful start to our new term, Spring Term 2010. Although I'm sure you would all agree it doesn't feel very spring like at the moment! We hope everyone had a wonderful time with family and friends and had time to relax and enjoy the two weeks holiday.

The weather is very icy and cold but we would like to say a very warm welcome to our new children and parents. Starting school is a big occasion and no doubt we will all remember their start to what we hope will be a very happy and successful time at Muxton.

Thank you to everyone for their patience during this cold weather we are experiencing. Wednesday brought lots of challenges for many people and should we have any further falls of snow the information service provided by the local radio stations will I am sure support us. There was a lot of confusion and we do appreciate the problems this caused for some families.

On behalf of all staff, governors and myself we look forward to working in partnership with you during 2010 to achieve the best for all our children. Let's hope 2010 is a successful one for the whole of our school community.

With the severe weather conditions you may find it difficult to collect your child at the end of the day. If someone other than the usual will be collecting your child please inform your child's class teacher or telephone the school and inform the staff in the office. *Thank you for your support*

Mrs D E Williams, Headteacher

Forest Schools

Just a little reminder that Forest Schools sessions will be starting next Wednesday 13th and Thursday 14th January. Please ensure that children attending Forest Schools bring with them appropriate clothing for the current weather conditions.

Year 1 + 2 Sharing Time

To start our 'African Adventure' theme this half term, we would like the children to bring in pictures or artefacts for our class displays. Please can they prepare to talk to their class about what they have brought in. Whilst the children are expected to treat our displays with care and respect for other people's things, if you prefer that artefacts are not left at school, please let us know.

Year 1 + 2 Autumn Term Reviews

Many thanks for the reviews that have been returned to school. The comments on these with feedback both from the children and parents are very valuable to us. We use them to help us to plan appropriate activities to motivate and interest the children in future themes. If you have not returned your review yet, please do so as soon as possible so that all comments can be taken into consideration.

A Plea from KS1

If you have any spare story CD's that you no longer use, Year 1 and 2 would be grateful for them.
Many thanks. Mrs Relph
